

## Fee Management Software (School)

### Company Profile

H3 InfoTech Pvt. Ltd. is a subsidiary of h3 Technologies (USA). It is global network of consulting and IT services and dedicated to supporting the unique needs of our clients. We help our clients conceptualize, realize and implement new products and/or services in today's dynamic digital environment.

H3 InfoTech Pvt. Ltd. aspires to be a respected corporation, providing best-of-breed solutions, delivered by best-in-class people.

We bring over 10 years experience of **Educational Based ERP Solution Provider** to Universities/Institutes/colleges/Schools (govt. & Private). We believe, ahead in technologies means ahead in competitions. Our consultants leverage leading edge technologies and business experience to identify opportunities and drive business process improvements.

### FMS Overview

Fee Management Software provides a comprehensive solution to schools to automate their fee scheduling, collection & reporting process. It makes private school fee management very easy. Create multiple types of fee, fix penalties, waivers, send automated reminders and ability to collect fee from parents via mobile app, over the web and physically via cheque or cash.
